

Week 1

Bears, Oh My!

Lions, tigers, bears, oh my! This week is all about animals! Young Explorers will learn about the differences between zoo, jungle, farm, and domestic animals. Our School Age Explorers will learn about the different habitats, diets, and characteristics of animals, and especially bears! Each camper will have the opportunity to stuff their own bear to take home!

Week 2

Photo Shoot

This week is all about photography and art! Campers will learn about our anatomy and the part of the face! Older Explorers will learn about symmetry and lines of symmetry within a body and face. All campers will learn about cameras and taking photographs. A photo booth will come to SDA and all campers will be able to pose for a photo shoot!

Week 3

Water Works

This week campers will be splishing and splashing! Young Explorers will be painting with colored water and measuring how much water a sponge can hold. Our School Age Explorers will be measuring the distance that water splatters from a water balloon dropped from different heights and writing about a drop of water. Everyone will paint a water-themed picture on a canvas to take home.

Week 4

Top Chef

This week the campers will learn about the fine culinary arts! Our campers will see and experience cooking, baking, and food preparation this week. They will use their imagination and skills while cooking inside a kid-friendly kitchen. The Young Explorers will work on pouring liquids and the heat needed to cook. School Age Explorers will learn about measuring liquids and solids!

Week 5

Rock & Roll

This week campers will dive into the world of music and movement! Young Explorers will learn about different classes of instruments and types of movement. Older campers will learn about music notes and the importance of moving our bodies every day. All campers will take part in a Taekwondo class this week!

Week 6

Parade!

CRASH! BOOM! Our summer program continues with a BANG! Young Explorers will discover colors, shapes, and sounds associated with the 4th of July holiday. School Age Explorers will have the opportunity to explore density, make patriotic towers, and write riddles and poems in honor of our country's birthday.

Week 7

Neverland

Peter Pan! Tinkerbell! This week the campers will use their imaginations as they leap into a land of make believe. Young Explorers will learn about fairy tales while older campers will write their own tall tales. Everyone will learn about Neverland this week and we will end the week with a visit from Peter Pan and Tinkerbell on Friday!

Week 8

Snakes and Snails

Creepy Crawlers! This week our Explorers will learn about reptiles and other creatures! Young Explorers will learn about the differences between mammals and reptiles while School Age Explorers will take a deeper look into animal classification and traits. This week PT Reptiles will bring some reptile friends to visit all campers!

Week 9

Up, Up, and Away!

This week is all about being up in the air! Young campers will learn about things that fly: airplanes, birds, hot air balloons, and more! Our School-Age campers will learn about trajectories and momentum with flying objects. This week will have an exciting visit from Matt The Balloon Guy that will shape a balloon for each camper to take home and enjoy!

Week 10

Sportastic!

Time to get our bodies moving! Campers of all ages will enjoy playing all types of games this week. Young Explorers will have the opportunity to design and participate in a variety of obstacle courses. School Age Explorers will compare, rate, and create some new fun rules for all types of sports! We will even learn a little about golf when a put-put course comes to SDA and campers turn into mini golfers!

Week 11

Healthy Bodies

This week is all about health! In order for our campers to grow up strong, they must keep their bodies healthy! Young Explorers will learn about the importance of exercise and eating from all the food groups. The School Age Campers will explore further and learn about calories while they count and track their active minutes. We will have a great time with Poppy and Branch this week when the Trolls stop by SDA to get campers dancing!
